

FLEXIBLE SIGMOIDOSCOPY

Purchase two fleet enemas (disposable and available over the counter at the drug store).

You take one fleet enema at least two hours prior to your appointment and take the second fleet at least one hour prior to your appointment.

Patients scheduled with any form of sedation in the morning (7-1215) will need to have nothing to eat or drink after midnight.

Patients scheduled with any form of sedation in the PM (1230-1530) light food up until midnight then clear liquid until 7 am.
